

Production Technician

EarthRoamer is looking for a self-motivated, skilled, hardworking Production Technician to join the Production Department.

As the world's premier manufacturer of four-wheel drive, environmentally responsible expedition vehicles, EarthRoamer offers countless opportunities for you to thrive, to be yourself AND be successful. Our unique Colorado company is revolutionizing the industry. At EarthRoamer, our employees are energized by the fast-paced, ever-changing and exciting world of outdoor adventure.

EarthRoamer provides competitive pay, paid time off, health benefits (available), and 401K plan.

Duties and Responsibilities:

- Installation of roof mounting anchor points, including fiberglass resin for those anchors
- Installation of solar panels
- Installation of air conditioning systems
- Installation of OTA and Satellite television antennas
- Prep work and installation of camper windows, roof hatches and locker doors, including painting frames if necessary
- Installation of tire changing equipment, including spare tire winch and tire changing accessories
- Installation of fuel fills and lockable doors
- Installation of toilet cassette doors and associated fiberglass shroud
- Fitting and installation of camper headliners
- Installation of bathroom trim, and decorative silicone caulking for bathroom trim

- Tile backsplash in EarthRoamer camper, and potentially the grouting of the backsplash
- Possible repair of plumbing leaks, and/or installation of plumbing items, including pex tubing
- Installation of EarthRoamer designed table mounting system for camper tables

General

- Follow work orders
- Meet schedule deadlines
- Complete reports on jobs performed including detailed labor and parts used
- Maintain a safe and clean work

Skills

- Knowledge and experience in mechanical and electrical systems
- Experience in power tool operation (drills, grinders, reciprocating saws, etc...)
- Must possess mechanical aptitude
- Ability to learn quickly
- Ability to communicate effectively
- Willingness to learn and complete tasks correctly
- Must have pride in work completed
- Work well individually and as a member of a team

General Requirements:

- Current driver's license and clean driving record
- Drug free
- Clean criminal background
- Basic mechanic's tool set
- Purchase all required tools to complete all tasks
- Work 4 days/week, Tuesday-Friday 6:00 AM-4:30 PM with Mondays being a float day if job is not completed.
- Maintain flexible work schedule (may have to work 6hrs one day and 10hrs the next)

Education:

- High School diploma or equivalent
- Technical school training desired

EarthRoamer reserves the right to conduct a criminal background check and drug test prior to employment.
