- Dimmable LED overhead lighting in living space
- Dimmable LED task lighting
- Dimmable multicolor indirect floor and ceiling lighting
- Switches for above lighting located at entry door, driver seating area and both sides of bunk
- LED reading lights in bunk

Galley

- Wood or tile backsplash
- Passenger side seat back doubles as butcher block wood counter
- Deep stainless-steel sink
- Faucet with retractable sprayer
- Soap dispenser
- Filtered drinking water tap
- Butcher-block cutting board designed to fit into sink
- Slide out trash/storage system
- Collapsible broom with dust pan
- Caesarstone or granite counter top
- Single burner induction cooktop
- 6 cubic foot stainless steel DC electric refrigerator with 2 cubic foot upper freezer
- 1.5 cubic foot stainless convection microwave
- Slide-out pantry with adjustable shelving (dependent on floorplan)
- Paper towel holder and dish towel bar

Bathroom

- Enclosed bathroom/shower (wet bath) with convertible changing room
- Fiberglass medicine cabinet with Teak shelving
- Teak framed vanity mirror
- Teak shower grate
- Shower curtain
- Removable shower wand on height adjustable slide bar
- Sink with integrated toilet paper holder
- 5-gallon cassette toilet
- Retractable clothesline and towel hooks
- Shampoo, conditioner, and soap dispensers
- Variable speed exhaust fan

Electrical System

- 11 Kw hour lithium ion battery bank
- Auto engine start charging system which automatically starts engine when battery charge is low

- Four 330-watt solar panels with solar charge controller
- Advanced digital control & monitoring network provides circuit protection and advanced control and monitoring of systems
- Dual inverter/chargers provide redundancy and a total of 5000-watts inverter power and 200-amps battery charging
- Touch screen control panels provide system control and monitoring
- 3G/4G Cellular WiFi Router with Wireless Hot Spot and Roof Mounted Antenna
- Marine grade electrical components used throughout
- Marine grade wiring used throughout
- 120V AC outlets located at closet, lower galley, driver seating area, and bunk
- 5V DC USB outlets located at driver seating area, media cabinet, and bunk
- 30 Amp exterior AC power outlet
- 30 Amp AC shore power inlet

Heating, Ventilation and Air Conditioning Systems

- 10,000 BTU high efficiency air conditioner with thermostat ducted to living area and bunk
- 7,500 BTU diesel air heater with digital thermostat ducted to living area and bathroom
- Diesel Hydronic heater with digital timer and manual over-ride mode
- Dual pane, flush mounted, fully opening, frameless glass windows with built in shades and bug screens
- Dual pane glass roof hatch with built in shades and bug screens, (provides access to roof)
- Thermostatically controlled, variable speed, rain-sensing, reversible fan with electric dome

Plumbing

- 100 gallon insulated fresh water holding tank with manual drain valve
- Water recirculation system for freeze protection
- 60 gallon insulated grey water holding tank
- Electric grey tank drain system
- Fresh and grey tank monitoring system
- Dual fresh water filtration system
- High capacity water pump with intake screen
- Macerator pump for galley sink drain
- Hydronic and electric heated 6-gallon hot water tank
- Exterior shower with hot and cold water and winterization valves
- Air pressure water blow-out system for easy winterization

Safety

- Carbon monoxide detector
- Smoke detector
- Fire extinguisher

Accessories

- Flashlight mounted above entry door
- Tool bag with select spare parts
- Fresh water hose
- Grey water hose
- Axe mounted in exterior upper storage locker
- 15-amp exterior GFCI Protected AC outlet adapter
- 30-amp shore power cord and 15-amp shore power adapter
