## LTS-198 | Shapiro Family

Barry and Linda are starting their 3rd year of living full time in ER198. They started out in California, or as they say “escaped California”.

So far, they have traveled to 46 of the 48 lower states and will visit all 48 by the end of this year. Linda and Barry are hoping to be driving through Canada to Alaska shortly.

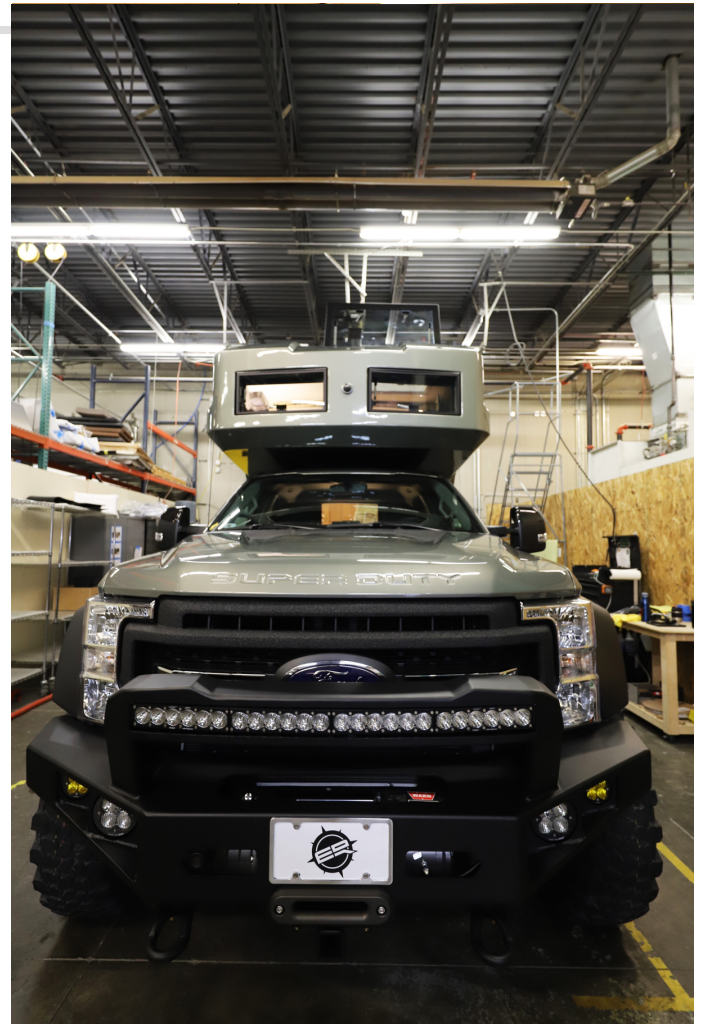

Barry loves landscape photography. What better way to get to the less seen area's than with an EarthRoamer?!

Asking them to send a couple of their favorite photos was a difficult task, as they have many. “Happy travels to all of our fellow EarthRoamers!”

He has an infectious laugh, and an awesome sense of humor. Being the shops practical joker, he keeps us laughing, as well as on our toes.”

**Rebecca Sickler** | Department: Wood | Employee Since: January 2020

- “Becca stepped up when we had to delay the pass through on a truck because we were missing a fridge, Becca offered to come in and start the Pass Through on a Sunday and managed to finish it the next day, 1 day faster than any previous Pass Through.”
