LTS-234 | Christoffersons

The Christoffersons are a family of three: Nicole, Justin, and son. Their son who is 10, is actually homeschooled so that they can roam year-round!

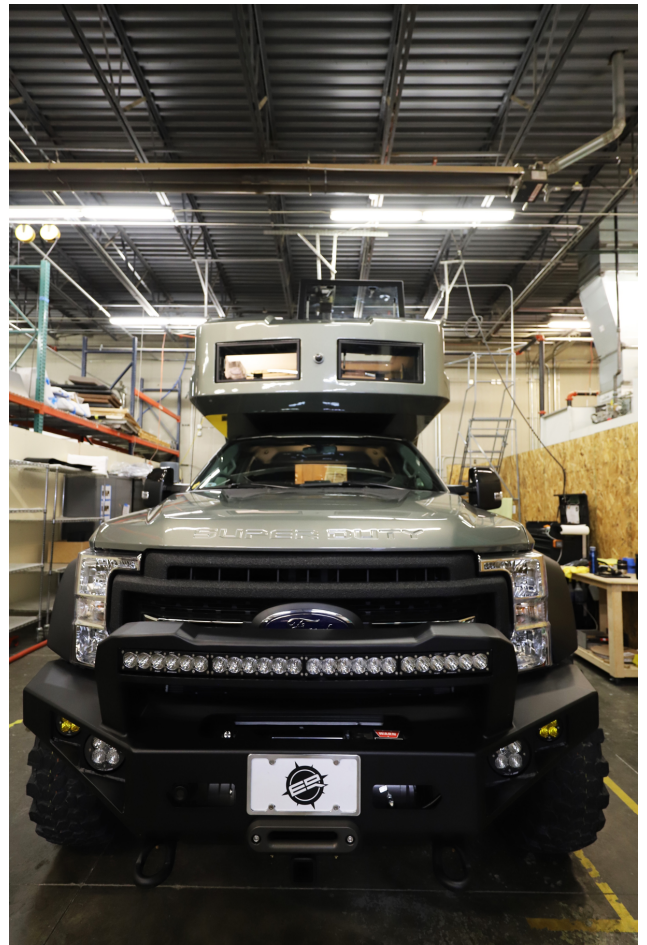

Justin and Nicole spend about 60 to 70% of their time on the road. They've put on 17,000 miles all over the country in less than a year. They prefer to boondock in the middle of nowhere and consider their Earthroamer a second home.
